Come and connect with metro area Jewish Studies graduate students at the Center for Jewish History!

There will be wine, beer, and snacks, along with opportunities to see the Center's current exhibits. We are committed to making CJH a destination for grad student sociability and academic connections.

Come join us for an evening of noshing and networking!

Students are being invited from the Jewish Studies programs at Columbia, Barnard, NYU, CUNY, the Jewish Theological Seminary, Touro University, Yeshiva University, Brooklyn College, and any out-of-town grad students conducting research in NYC.

For inquiries or to join our grad student mailing list, please contact Dr. Miriam Mora at mmora@cjh.org
